

SATURDAY 13TH JUNE 2020

World Gin Day

CELEBRATE AT MALO

Gin has a rich, interesting and at times debaucherous history.

On Saturday 13th June, join us at Malo to appreciate this timeless spirit.

We are serving our popular \$25 gin flight all day long, or from 4pm come down and enjoy one of our many gin cocktails! Perhaps you prefer the understated G&T; maybe a classic martini, Negroni or Gin fizz is more your style? You could branch out and try our exclusive Adornable cocktail.

Whatever it may be that tickles your fancy, with our extensive collection gin Malo is that place to be.

After all it's world Gin day – it would be rude not to indulge.
